UFC 274 happened over the weekend in Phoenix, Arizona to tremendous excitement. For an offered out audience at the Footprint Center, UFC placed on a program with packed battles up and down the card.

An interesting angle ahead of time associated to the centerpiece, Charles Oliveira vs. Justin Gaethje. focuses on musical super star Drake. The rap artist made a ridiculous bet on the underdog in Gaethje, per UFC wagering partner Stake.

Drake sent a bet on Gaethje to beat Oliveira to the tune of \$427,000 If Gaethje wins, the rap artist takes home \$1 million.

For the wagering chances through DraftKings, Oliveira gets in the match as the small preferred (-145). Gaethje's cash line slip checks in at +125 chances for those who chose to wager on the Arizona native.

Oliveira versus Gaethje is among the most interesting battles in the light-weight department all year. A contrast of designs who both attack offensively, this has the makings of a traditional bout to view unfold.

Only Gaethje is qualified to combat for the title in Saturday's primary occasion. Oliveira missed out on weight, which eventually removed him of the belt. If Oliveira wins, he will be the UFC's brand-new No. 1 light-weight competitor.

Before Oliveira and Gaethje take on in the octagon, here's how the present UFC light-weight rankings look:

1. **Charles Oliveira**
2. **Justin Gaethje**

3. **Dustin Poirier**
4. **Islam Makhachev**
5. **Beneil Dariush**
6. **Michael Chandler**
7. **Rafael Dos Anjos**
8. **Tony Ferguson**
9. **Gregor Gillespie**
10. **Conor McGregor**

One of the most stacked departments, Oliveira vs. Gaethje will start what ought to be a huge cause and effect moving on. For gamblers like Drake, betting on Gaethje has substantial implications.
