12/30/2021 – January 28th-29th, Atlanta, GA – [Grow Stack Drive CREATE Conference](#) – The three themes of the GSD CREATE conference are to Build Confidence, Gain Clarity & Create Community.

“Get in rooms with people who think bigger than you do.” – Ken Joslin This is what the CREATE conference is all about! When you surround yourself with leaders and inspirational people, everyone becomes more innovative and successful regardless of the industry. GSD is creating an environment where these leaders can discuss their ideas and be exposed to new ones.

The goal of the CREATE Conference is to assist church leaders and pastors in connecting with entrepreneurs and learning to be great leaders and influential business managers. This conference will provide you with the opportunity to hear from and connect with twenty different outstanding leaders, including Ken Joslin, John C. Maxwell, Nicole Arbor, Jesse Itzler, and Anthony Trucks, to name a few.

Check it out if you're an entrepreneur, a salesperson, or a business owner who wants to live a more successful life. GSD is a group of entrepreneurs unwilling to be held back by limiting ideas. Instead, participants should expect to leave with a new zeal and clarity for their personal, professional, and financial goals, leading to significant development.

This conference will help leaders connect with entrepreneurs and foster relationships to help churches develop an entrepreneurial mindset. GSD Bootcamps are for salespeople, business owners, or even those just looking for more success in life.

Ken Joslin says, “When you invest in yourself, the ROI is incredible!” GSD Bootcamps and the GSD CREATE conference are perfect opportunities to see your investment in yourself pay off.
