

# Mansory's G63 P900 Limited Edition 50 th UAE Marks A Major Milestone For The UAE

From JustLuxe Content Partner MensGear

When handling rich customers, lorry adjustment experts should be all set for anything. No matter how absurd the demand might be, many will attempt to make it occur.

Thankfully, Mansory's most current task— the Mercedes-AMG G63 P900 Limited Edition 50th UAE— is absolutely nothing it can't deal with. This renowned SUV gets class-leading upgrades in addition to a striking coat of paint.

Calling it the Mercedes-AMG G63 P900 Limited Edition 50 th UAE is definitely a mouthful, isn't it? Commissioning this trendy G-Class is none other than the president of the United Arab Emirates, Khalifa bin Zayed Al Nahyan.

It is to mark the 50 th anniversary of the country as you can currently inform by the name.

The event is still continuous because April 6, 2021, and will be ending on March 31, 2022.

The Mercedes-AMG G63 P900 Limited Edition 50th UAE is the 2nd bespoke maker that marks the turning point. Formerly, Mansory likewise provided the Rolls-Royce Cullinan UAE Edition.

Given the landscape of the area, 4x4s are the platforms of option here. Mansory packages out this G-Wagon custom-made body package to provide it a sportier shape.

An extremely tuned 4.0-liter twin-turbo V8 sits within and outputs 900 horse power with 885 pounds of torque.

What follows is a two-tone gradient of purple and black. The point of shift cuts vertically along the B-pillar. Graphics illustrating the map of the UAE show up on the wheels, extra tire cover, headrests, and more.

Even the Mercedes-AMG badging has actually been changed by the customized symbol. Marble-pattern carbon fiber components include a touch of class to the G63 P900 Limited Edition 50 th UAE.

Meanwhile, the interior is decked in a mix of yellow and purple with speckled black aspects.
