

Mr.C-Branded Residences Come To The Dubai Waterfront

Situated on the waterside, the structure takes in views of the city, sea and canal.

Driven Properties

Spring boarding off the success of the very first Mr.C-branded homes constructed beside the household's flagship hotel in Beverly Hills, California, magnates Ignazio and Maggio Cipriani have actually broadened their sights (and their websites) to consist of such locations as Manhattan, Punta del Este, Uruguay and Miami.

Up next: Dubai in the United Arab Emirates.

By Ellen Paris

The 27 high-end homes prepared along the water in the high end Jumeirah 2 area will use locals a selection of individual chef, butler, driver and concierge services. The mid-rise structure, developed by Arquitectonica, uses rounded and swelling wave-like shapes in keeping with its water place. Clear railings and walls of glass deal with the Arabian Gulf.

Situated along Dubai's Jumeirah 2 area, the complex is set up to be finished next year.

Driven Properties

This six-bedroom duplex, slated for conclusion next year, takes in views of the sea, the flashing high-rise buildings of the city and the close-by waters of the canal. The 15,220 square feet of modern interiors by Meyer Davis will include marble, oak and limestone surfaces in a nautical visual that stimulates a superyacht.

The style of the complex stimulates the motion of the sea and takes motivation from nature discovered in ... [+] the shoreline.

Driven Properties

The home furnishings will consist of customized pieces along with top-notch brand names.

Sleek lines and minimalist components are made warm by the usage of natural products and accent ... [+] lighting.

Driven Properties

A completely equipped open-plan cooking area, a research study, 6 bed rooms and 7 restrooms are amongst the home. The home includes a personal pool, integrated closets, walk-in closet, sauna and veranda.

With huge floor-to-ceiling windows that permit a lot of light in, the open-concept living location ... [+] has a lot of space to unwind and amuse.
