

NRPLUS MEMBER ARTICLE On Thursday afternoon, NR editor-in-chief Rich Lowry spoke with Ben Shapiro on an exclusive, NRPLUS members-only conference call.

Ben and Rich kicked off the call with a discussion of Ben's newest book, [*The Authoritarian Moment: How the Left Weaponized America's Institutions*](#). They discussed the influence the Left has over corporations and the reasons why many companies have surrendered to Leftist ideology in recent years, in particular after the death of George Floyd. They explored how this may be attributed to the mere cowardice of organizations, citing the reaction to Tom Cotton's op-ed in *The New York Times* as an example.

During the conversation, Rich ...
