Herculean HODLers, Tim Draper and Michael Saylor, to offer insight into life after accumulation.

LOS ANGELES, CA — November 1, 2021 — Draper Goren Holm, early-stage blockchain venture capital fund and producers of the world's largest blockchain and cryptocurrency conference, [LA Blockchain Summit](#), announced today that Tim Draper, Founder and Managing Partner of Draper Associates, and Michael Saylor, Founder and CEO of MicroStrategy, will host a fireside chat with one another at the all virtual 8th edition of LA Blockchain Summit, November 2–4. These two Titans of Bitcoin will share insight into what life might look like in a post-BTC accumulation world. Tickets to the Summit are entirely free and another crypto giveaway is underway courtesy of title sponsor ABRA.

ABRA will be joined by other industry heavyweights such as Robinhood, LunarCRUSH, H2CryptO, Simetria, PLENTY, Rivet, Kalamint, StableTech, SuperWorld, AKRU, Amber Group, Ownera, Sensorium, Degens, TradeStation Crypto, Copper Technologies, Cosmos & Starport, Giftz, PrimeDAO, GSX, Litecoin, Stacks Foundation, Stellar Development Foundation, Tezos, Casper Association, Tron, INX, Only1, SupraFin, unFederal Reserve and more. Virtual booths will be available for attendees to interact with each sponsor throughout the event.

The agenda for LA Blockchain Summit will feature a variety of blockchain and cryptocurrency related themes including development, NFTs, enterprise blockchain, investment analysis, marketing strategies, tokenized securities, stablecoins, as well as trends and insights from industry experts such as the Former SEC Chairman John Clayton, current Security & Exchange Commission's Hester Peirce, Congressional Blockchain Caucus' Rep. Tom Emmer, Skybridge Capital's Anthony Scaramucci, Ropart Asset Management's Todd Goergen, DMCC's Ahmed Bin Sulayem, Robinhood Crypto's Johann Kerbrat, and McLaren Racing's Lindsey Eckhouse..

Be a part of this year's event by claiming your free virtual ticket today while taking advantage of this year's crypto giveaway at lablockchainsummit.com/giveaway.
