

# Six-Word Sci-Fi: Stories Written by You

=" contenttype =" callout: align-center" name= "align-center" >

THIS MONTH'S PROMPT

**In 6 words, compose a story about a wormhole found in your closet.**

*Disclaimer: All #WiredSixWord submissions end up being the home of WIRED. Submissions will not be acknowledged or returned. Submissions and any other products, including your name or social networks deal with, might be released, showed, modified, or otherwise utilized in any medium. Submissions need to be initial and not breach the rights of any other individual or entity.*
