

Superb Video Of The Four U.S. Air Force B-52 Bombers Arriving Into RAF Fairford Yesterday

One of the B-52s landing at RAF Fairford on Feb. 10,2021

Amazing video with radio comms programs the BUFFs landing at RAF Fairford for Bomber Task Force 22-2.

As currently reported in information, 4 U.S. Air Force B-52H tactical bombers released to Europe on Feb. 10,2022 The Stratofortresses, belonging to the 5th Bomb Wing, from Minot Air Force Base, North Dakota, were moved to the UK as part of a long-planned BTF (Bomber Task Force) rotation, called BTF 22-2.

HATE14 (61-0039) was a direct flight and landed at 11.30AM regional time at RAF Fairford. HATE 11/12/13 refuelled in AR-20 with ABBOT 71 flight on the eastern coast of the U.S. prior to continuing on to battle varies in the UK. ABBOT71 flight was reported to be a mix of KC-135s and a KC-46.

HATE11 (61-0003) and HATE13 (60-0044) carried out battle practice on Tain variety in North West Scotland prior to splitting into songs for their shift to RAF Fairford. HATE13 landed at 14.05 and

HATE11 at 15.15LT.

HATE12 (61-0018) went to the Holbeach Air Weapons Range to the east of England and conducted battle practice for around 2 hours. This airplane recuperated to RAF Fairford at 14.57.

Fortunately, our buddy Ben Ramsay at UK Aviation Movies was at the base in Gloucestershire and shot the BUFFs as they landed there. Take a appearance at the quantity of individuals who collected on the last of RWY27 to catch the arrival of the bombers.

The cool video he produced likewise includes radio comms from the HATE flights. The close up views are quite remarkable.

The 4K variation of the videofootage enables you to notification some fascinating information, consistingof icing. "Whilst icing is typical to see on B-52s, the veryfirst 2 airplane have substantial icing under the wings", Ben pointed out in an e-mail he sentout us.
