2 of 25 Steven Ewing/Roadshow

This Integra prototype is a very close representation of what will go on sale in spring 2022.

Acura Integra Prototype

3 of 25 Steven Ewing/Roadshow

It rides on the same platform as the Honda Civic Si.

Acura Integra Prototype

4 of 25 Steven Ewing/Roadshow

It has a turbocharged 1.5-liter engine and available manual transmission.

Acura Integra Prototype

5 of 25 Steven Ewing/Roadshow

A mechanical limited-slip diff is onboard.

Acura Integra Prototype

6 of 25 Steven Ewing/Roadshow

The sleek liftback body looks great.

Acura Integra Prototype

7 of 25 Steven Ewing/Roadshow

Acura says the new Integra will start around \$30,000.

Acura Integra Prototype

8 of 25 Steven Ewing/Roadshow

A more powerful Type S model is likely to follow.
