

The Podcast Show 2023 Is Back!

Following the extraordinary success of in 2015's inaugural

program, The Podcast Show is now genuinely placed as THE worldwide occasion for business of podcasting.

Last May, we united over 9,500 visitors, throughout the day and night of the celebration, from every corner of the world– from the east and west coasts of the United States to Mexico, China, South Korea, Australia, and all throughout Europe. The program provided a few of the most identifiable faces in podcasting consisting of: Louis Theroux and *My Dad Wrote A Porno*, through to leading gamers in business.

We're back, we're larger and more enthusiastic than in the past, with more locations, more material, significant gamers and larger names!

By day the worldwide podcast neighborhood will collect under one roofing system at business Design Centre, 24– 25 May, in the heart of London's buzzing district of Islington.

We are thrilled to reveal our very first group of partners for next year. Headliners will be Amazon Music|Wondery and Acast and returning as main partners to the program are Audioboom, BBC Sounds, and Global.

Also signing up with the program will be a remarkable list of partners and exhibitors consisting of Audible, Sony Music Entertainment, Patreon, Triton Digital, BetterHelp, Insanity, Podopolo, Fresh Air, Crowd Network, AdTonos, Ponders, AudioUK, Pod Bible, The Radio Academy, The Podcast Academy, BCMA, Libsyn, Adelicious, Riverside.fm, Shure, Diety Microphones, Black Cat Music, Cloud Mics, POW PR, Podcast Radio, Call Me by Vortex, Stak, TBI Media, Sontronics, Creative, Mackie, PRX, Alitu, and Auddy with a lot more set to be revealed in between now and the celebration next May.

A huge 500+ brand names went to in 2022 to satisfy the podcast neighborhood and this is set to grow in 2023. We'll be doubling the size of our Brand Works Theatre on the primary program flooring and pleased to reveal this will exist by Global in association with Campaign Magazine— anticipate to see a few of the greatest brand names and media companies in person with podcast developers.

We'll likewise be calling up material throughout the program for independent podcast developers, the lifeline of the podcast market. The Creator's Corner, freshly partnered with among our heading partners, Acast, is back offering developers much more opportunities to satisfy up & consult from crucial figures in the market and we'll be releasing a brand name brand-new function called Create & Play ... enjoy this area!

Also brand-new for 2023, is PodHouse, an unique location situated at the heart of the show-floor that will host back to back networking beverages receptions. These 'invite just' occasions will be hosted by leading companies in skill, brand names, production and marketing ... a location to get offers done!

Expect much more networking chances at next year's program from day time events in our main Hub Bar, end of program day beverages occasions and all way of night celebrations for participants ...

And lastly, we are very thrilled to bring a significant brand-new addition to The Podcast Show 2023. We can reveal a special Launch Party & Preview Night on Tuesday 23 May, the eve of the program. With a minimal variety of tickets available, this assures to be the most popular podcasting ticket in the area and will consist of; complementary beverages, extremely unique visitor looks, special market statements, DJ sets and a couple of other surprises! Plus, your 2 day pass to the primary day service celebration.

And if that's inadequate, by night, we'll have another week-long live podcast celebration.

This year we brought you The Podcast Show LIVE, 15 live programs consisting of; British Scandal, Kermode & Mayo's Take and The Receipts, among others. Prepare for 2023 as the program will double in size with 30 live podcasts from 23-28 May, commemorating world class skill and bringing your preferred voices to life in significant locations throughout Islington, London.

Tickets go on sale early January 2023 along with a host of brand-new program statements.
