SIMPLE (AND EFFECTIVE) ECOMMERCE EMAIL MARKETING STRATEGIES

1 OPTIMIZING FOR MOBILE

You know what turns off potential customers? Opening an email for your site, service, or product on a mobile phone and seeing a promotion or advertisement that doesn't fit the screen. You must optimize your email marketing channels for mobile platforms if you want to increase your subscriber base.

2 CHOOSING THE RIGHT DEPLOYMENT TIME

The specific time you send an email is vital to a successful campaign. Choose the wrong time and your amazing marketing email will be lost on deaf ears. It might be deleted, unsubscribed, or *gulp* get sent to the spam folder. The best time to send a marketing email is between 6 AM and 8 AM, or from 8 PM to 12 AM.

3 ADDING A PERSONAL TOUCH

Your email marketing campaigns must be personalized. Using an automated email to add a person's name to the subject isn't going to cut it anymore. People are tired of impersonal, robo emails that throw their name in the subject bar. Remember, you are talking to real people. Show them there is a person on the other side of the screen that cares about them and you will increase the effectiveness of your ecommerce email marketing campaigns.
